

Directed self-learning for Work area 2

Students to be directed to the online resource to prepare themselves before the session.

Directed self-learning activity 1:

-Students need to read and familiarize themselves with the Calgary Cambridge guide:

Handout 1: Calgary Cambridge Guide At A Glance

Handout 2: Calgary Cambridge Guide - The Skills

Directed self-learning activity 2:

-Use the Calgary/Cambridge Guide to evaluate Educational video 2 scenario Nr 8:
“Medical consultation with patient with high cardiovascular risk”
